INFORMATION

According to Art. 13 of the regulation of the European Parliament and Council (EU) 2016/679 of 27 April 2016 on protection of physical persons in connection to processing of personal information and on free flow of such data and repeal of Directive 95/46/CE (general data protection regulation, further: GDPR), please be informed that your personal data is administered by Jagiellońskie Centrum Innowacji sp. z o.o. (further: JCI) (Data Administrator), address: ul. Bobrzyńskiego 14 (post code: 30-348 Kraków), entered to the National Court Register kept by the Regional Court for Kraków - Śródmieście in Kraków, XI Economy Department of the National Court Register, under number KRS 0000212725, with NIP (tax ID) 676 226-66-85 and REGON no. REGON 356845374, with company capital of 11,667,900.00 PLN.

The Administrator designated the Personal Data Protection Officer. You can contact the Personal Data Protection Officer electronically at iodo@jci.pl or in a written for at the address of Data Administrator.

Your personal information will be processed to analyze the submitted samples and to establish contact in order to properly perform the research.

Your personal data is processed based on performing the agreement or attempting actions (at your request) before the agreement is entered into, or by legally justified JCI interest, i.e. Archiving, protection of economical, legal or financial interest of JCI, as well as pursuing claims. Your personal data will be processed not longer than required for the above mentioned aims or until the end of claim limitation period.

Providing your personal information is strictly voluntary, however it is necessary for the analysis/research to be performed. JCI can share your personal data with third parties (recipients) that perform hosting or legal services for JCI, as well as with public administration authorities. Your personal data will not be sent to a third country/international organization.

You have a right to access your data, to request corrections or deletion if it is not in contrast to the realization of the aim of their processing (the so-called right to be forgotten), to request limiting processing or transferring of your data as well as right to object against processing. Moreover, you have a right to file a claim to supervising authority in case of discovering that the data is processed not according to GDPR.

You can withdraw your consent at any time, using the form or JCI contact information provided above.
